Cross Country

TAMARUA
Intermediate

30 August 2018

Kia ora Koutou

Our Open Evening was a huge success with over 400 people coming out to see what Tamatea intermediate has to offer. A BIG thank you to the wonderful students who came back to school for the evening. From our Kapa Haka group to our tour leaders and band, our confident and capable students are what makes this evening a success.

Well done to ALL of our students who competed in our Cross Country last Friday. You all gave it your best. Congratulations to the following students who came in the top three in their races!!

BASKETBALL AND HOCKEY WINNERS!!

We WON the Super Six Basketball competition, we are so proud of our basketball teams who played so well at this competition! CONGRATULATIONS!!

Also a huge congratulations to the A hockey team for winning their final last week. You have had an excellent season and should be very proud of yourselves. Our B hockey team came in 3rd in their pool. Great job!

THE GREAT DEBATE!!

Last Monday in assembly we, the Debating Team, faced the teachers in a school debate. The students' team consisted of Jada, Tom and Olivia. The teachers' team consisted of Mrs Smith, Mr Quate and Mrs Howie. The moot of the debate was "Computers are leading to a

decline in the ability to write with a pen/pencil". The teachers were affirming while the students were negating. Unfortunately the teachers disobeyed debating protocol and used props and so should have been disqualified. The teachers somehow beat the students in this debate but watch this space

HIGH SCHOOL ENROLMENTS DUE TOMORROW: The High Schools are coming in to collect their enrolment forms TOMORROW. If you cannot get your child's form in to us tomorrow BEFORE school (or they leave it in their bags!) they will need to be given to the school office of the High School they are applying to directly. Please note they will be overdue and you may miss out on your first choice of High School!!!!

NETBALL Last week was the final netball game for our teams. Pictured here are the Pearl and Silver netball teams who came second in their respective grades. Many thanks to all our coaches, umpires, parents and all supporters for a great season.

Thank You Everyone!!!!

Our fantastic student leadership team banded together to get our school participating in the Watties "Cans for Good" campaign. Look at how successful their collective efforts were! They took control of the whole process, researching, communications, marketing and collection. What a fantastic job they did in getting the students behind them in this worthwhile initiative. Ka mau te wehi!

MUFTI DAY!!!!

Tomorrow, Friday 31st August, we will be holding a Mufti day and sausage sizzle fundraiser to support our sports teams that are heading off to the AIMS Games in Tauranga next week. \$2 for Mufti and \$2 for a sausage at lunch time. The canteen will be closed.

MATHS MIND MOVER:

Homework Disaster

Just as Julian completes his maths homework, his pet lizard spills a jar of paint over most of the page. Julian knows the equation uses all of the numbers from 0 - 9 and uses each of those numbers only once. But he can't figure out where each number should be. Can you help Julian to work out the equation, using the numbers you can see to help you?
