ORCHESTRA DAY OUT

TIS trombonists, violinists, saxophonists and trumpeters had a mind-blowing experience when they participated in the HB Primary and Intermediate Schools' Orchestra Day. Most had only begun learning these instruments this year but worked hard and did a great job learning highly specific notation across Classical, Latin-American and Rock genres. They were up for the challenge of playing in an orchestra but didn't expect to play in one with nearly 200 players! The day opened their eyes to the feel of the live performance on a grand scale so a big well done to Oliver Englert, Baxter Robertson, Elliot

Robertson, Ava Teddy, Kirsten Greene, Millie Young and Jessica Arnold. We look forward to attending next year. **Christopher Wilson, Music Tutor.** Many thanks to Christopher for taking our students to this event.

Hats Hats Hats Hats!! Please look out your navy blue bucket hats over the holidays, they are compulsory in Term Four thank you!!
