Tamatea Intermediate School 2018

MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR!

6 December 2018

Today's Prize Giving Assembly was a celebration of success. This was our chance to recognise and reward those who have achieved at the highest class or school level. Our congratulations go to all award recipients (a full list is included), you can all be very proud of your achievements. Many thanks to all the parents, caregivers and whānau who came along to support their child(ren), to our guest speaker Jaimee Lovett, our Board of Trustees and a big thank you also to our own Head Boy Nathan Leicester and Head Girl Anahera Puketapu for their excellent 'final word' speeches.

Our final day for the year is **next** Thursday 13th December and we will be finishing at the **earlier time** of **12.30**. **Please note** - The Westshore & Napier Terrace Buses will run at the earlier time of 12.30 p.m. The **Bayview Bus** time cannot be changed so we recommend that parents make **alternative arrangements** for their child to get home.

End of Year reports: Tomorrow (Friday) you will be receiving your child's end of year report, a copy will be coming home with your child.

This will be our **last** newsletter for the year so I would like to wish all of our community a **Merry Christmas** and **Happy Holiday Season**. To all our Year 8 families who are leaving us, **thank you** for sharing your Tamariki with us over the last two years. To all our Year 7 families, we look forward to seeing you all again on Friday 1st February!

Maths Mind Mover

Mrs Smith took some very lucky
students on a train adventure. Nine of
the students were talking, five were
standing, four were sitting. If one of
the students was standing but not
talking, and another is sitting and not
talking, what is the least number of
students there can be on the train?
Please remember to include your name
and room number with your working
out. Good luck.
