

Mission Bay

Canmp 2016

Tamatea Intermediate

Kia Ora

24 November 2016

We have been flat out with activities over the last two weeks including Year 8 Camps. The growth in confidence and skills makes it all worthwhile. A HUGE thank you to parent helpers and staff for making these experiences possible – it is appreciated!

It is that time of year when we are busy hosting Year 6 students for their Orientation visits to Tamatea Intermediate and our Year 8 students are off visiting their new High Schools. These are valuable transition times, which

are all going well. **It is important to reinforce that our expectation on student behaviour and efforts do not slack off at this time of the year. Uniform, Classwork, Playground behaviour – the expectations are still high!**

We have had a shaky time lately! A timely reminder to check that we are familiar with our emergency evacuation plans. Tamatea Intermediate have sought guidance in planning the best possible action to take. In a Tsunami warning, our procedure is to all assemble at our meeting point on the school field (like we do for a fire etc) each teacher with their class and roll. We then await for instructions on whether to head to higher ground. If the Tsunami is a local source we will make our way down Gloucester St to the Assembly Point at Taradale Park.

LIBRARY BOOKS!! Library Books are overdue!! There are still some outstanding, please drop them into the office or see Mrs Blackwood.

Fees We would appreciate all payment of school fees by the end of Term 4 thank you!!

MUFTI DAY NEXT FRIDAY 2ND DECEMBER \$2.00

EARLY FINISH LAST DAY OF TERM: Please note on our last day (15 Dec) we will be finishing school at 12.30. All students will be dismissed for the holidays from our school hall. Our school bus will be arriving at the earlier time of 12.30 however the Bayview bus time **cannot** be changed so please make alternative arrangements for your child.

[Little Bang, Big Bang – The Live Science Show starring Nanogirl – on Tuesday 13 December at 5pm and 7pm](#)

Presented by Nanogirl Labs with Spark Nz & The University of Auckland Faculty of Engineering. Join Nanogirl (Dr Michelle Dickinson MNZM) and Boris her trusty lab assistant for science as you have never seen it before. Lots of explosions, liquid nitrogen Icecream, hovercraft, smoke cannons – science and engineering will come to life in the coolest ways possible, right before your eyes. Nanogirl explains the science behind each experiment in

a way that's fun and easy to understand. We start with a small experiment to explain each idean (the Little Bang) – often with the help of a volunteer from the audience – then Nanogirl and Boris take the same principle and turn it up to BIG BANG scale!

“Educational, Entertaining, and Explosions” 5 stars

“They promised big bangs, and they delivered....Great to see scientific principles being explained.” 5 stars.

Napier Municipal Theatre, Napier

SOCIAL: Invitations with permission slips and details will be coming home on Monday. Tidy dress is essential. Girls will be required to wear a dress or neat skirt. Boys are to wear long tidy pants (dress jeans are acceptable) and a shirt with a collar. Permission slips are to be used as each student's 'entry' into the Hall (so students hold on to these until the night and give them to the teacher on the door).

MATHEMATICAL MIND MOVER: According to Maori legend, when Matau, a huge and terrible giant, was burned by the brave Matakuri, a great deep hole was seared into the earth. When it rained the hole filled with water and formed Lake Wakatipu in the South Island. Lake Wakatipu is 378 metres deep. It took 50 minutes to fill each 1 metre depth. **How many days and hours did it take to fill completely?** Remember to enter with your name, room number & working out before Monday morning's assembly! Good luck ☺

VOLCANOES!!!!

Some Year 8 classes had a blast with these awesome volcanoes they made as part of their learning for camp.

Very effective with fantastic designs, well done!

Donation of second hand uniforms:

Year 8 students who are leaving and wish to donate their school uniform to the school for re-sale are asked to bring the articles to the Hall Foyer on **TUESDAY 13 December**. This is **not** compulsory as we realise there are students with siblings coming through that the uniform is being passed on to.

- Donated uniforms **MUST** be in **GOOD CONDITION**, (that means no holes!!), washed and ironed.
- **FOLDED** neatly and placed in a named plastic bag
- Students must provide a note from home (signed by Parents/Caregivers) giving permission to wear mufti and donate uniform items or text Vicki on 027 3415373.

Students must donate more than 4 items of clothing to be eligible to wear mufti for the last 2^{1/2} days of school. (Tuesday, Wednesday, Thursday morning).

Only those students who donate their school uniform to the school for re-sale are able to wear mufti.

BASKETBALL CAMP: Basketball HB, 16-20 January, Rodney Green Centennial Event Centre, Napier 8.30am-4.30pm daily. www.basketballhawkesbay.co.nz for prices and downloading registration forms and then send it to admin@basketballhawkesbay.co.nz phone 833 6215.

iRead, The Reading Programmes For Teens: IRead participants read throughout the summer and review the books they have read. Each time they have read and reviewed three books they come into the Library to choose a prize book to keep. Information and registration begins on 5th Dec at Napier and Taradale Libraries where you will receive your review booklet. This is a free programme which runs from 12th Dec-20th Jan over the holidays. You can earn up to four books over the entire programme.

THE BATTLE CAVE:
Competitive Gaming Centre, join the action at 1/1 Dickens St, Napier. Ph 651 1909. www.battlecave.co.nz
