A big THANK YOU to our technology department who worked hard to create this exciting event that I am sure will continue to be a feature on our school calendar. CONGRATULATIONS also to Te Ara Hou, who won the cup on the day by scoring the highest points across all areas.

**YEAR 8 CAMP** Our camps are just around the corner!! The \$150 deposit is now overdue. The fee will be finalised tomorrow, look out for our Parent App notification tomorrow! Permission slips, health forms, gear lists have all been sent home with your child. Camp fees will include accommodation, meals, transport, incidental costs etc. Payments to the School Office are now being accepted. *Photo: Our first campers testing how waterproof their raincoats are for the tramp!!*

**HATS** Thank you for encouraging your children to wear their sunhats, if your child does not have one they will need to sit in the designated shade area. The Warehouse have more stock in now and are also keeping the supplies coming in for all our uniform. Please let The Warehouse staff know if they are out of any sizes.

**LOST PROPERTY!!** Please have a look at the lost property box outside Vicki's office, there is A LOT of clothing in there! Chances are the sweatshirt your child thought was stolen is actually in the Lost Property Box!! With the warmer weather students are taking their sweatshirts off and leaving them on the playground, field or courts.

**UNIFORM:** Even though we are fast approaching the end of the year students are still expected to wear the correct uniform! Girls if not wearing roman sandals need to have white socks on not coloured ones! The correct footwear is still important. Please don't let standards slip, we all need to be looking smart there are still 7 weeks to go. If your child cannot wear the correct uniform in special circumstances a note needs to be given to Vicki Strachan. Thank you.

**ART ROOM REQUEST!!** WANTED FOR DRUM MAKING!! . Rubber inner tubes from cars or tractors, thick inner cardboard rolls from carpets or similar for drum making in the art room. Thank you!!

**MATHS MIND MOVER:** The total fare for 3 adults and 4 children on the Funny Car Trip is \$35. A child's fare is half of an adult's fare. What is the cost of the adult's fare?

*Remember to put your name, room number and working out on your entry and have it handed in before Monday's early assembly. Good luck ☺*
