PRODUCTION
2015!!

Happy Holidays!!! 24 Sept 2015

We were thrilled to have all **400** of our students on stage for our production this year. Lots of **talent** and lots of **fun!** Thank you to all the students and staff who made it possible. Both shows were sold out, there were lots of smiles and laughs.....what more could we ask for!! Special thanks to our Producers; Cheri Gallagher and Dan Ball for pulling this all together.

It has been a **VERY** busy term. We are looking forward to a chance to recharge the batteries. Have a safe and enjoyable holiday break. Take care of yourselves and each other.

PRODUCTION DVD The Production has been filmed and DVD's will be on sale next term. Watch this space!!

ALiM Exchange: Last week, Feilding Intermediate came across to Napier to participate in a ALiM (Accelerated Learning in Mathematics) exchange. Our students had been fundraising and had a wonderful time at Laser Force on the Thursday evening before the exchange. Friday morning was a buzz of 40 students, Teachers and Math Advisors from both Manawatu and Hawkes Bay. The students participated in a Mathematical treasure hunt in teams around the school. The other sessions were broken into 4 teaching slots where all students were actively engaged in some amazing learning! At the end of the day students votes for 'inspiring learners' were counted and prizes were allocated. A huge thank you to Tracey Parker (Lil' Orbit Donuts) Mark Pittar (ITM Cup Rugby Balls), and the Maths Team. The students that were involved had a fantastic day and found that they could not only learn a lot but have a lot of fun in the process.

Golf Croquet TOURNAMENT

Coaching Sessions

We were very lucky to have **Paora Winitana** come in for a basketball coaching session with our basketball teams last week. Also ex-silver fern **Katarina Cooper** coached some of our netball girls. Great new skills were learned and we really appreciate having

such talented sports people give up their time to come and share their skills with us! The netball girls interviewed Katarina:

KATARINA COOPER

Last Thursday Katarina Cooper came to our school to take a netball session, for the top two year 7 teams (Silver and Bronze). We learnt lots of drills and enjoyed playing new games. The group of girls really loved having her at our school as she is an inspiring sports person. Katarina Cooper played for many New Zealand sport teams such as, the silver ferns, the New Zealand touch women's team, New Zealand basketball team, and she also wants to become a New Zealand women's rugby player. At the end the girls asked Katarina some questions, Amelia asked "What position did you play for the Silver Ferns" She answered "Wing Attack Wing Defence and Centre"

Peitan asked "When did you start netball?" She answered "Five years old"

Chalee asked "What made you want to start netball?"

She answered "My whole family was playing netball so I basically just fitted right in."

Emily asked "What is your next goal?"

She answered "To make the New Zealand women's rugby team".

We really loved having her and hope that she comes back next year. **By Mahina Ross and Amelia Swann**

On Sunday the 6th of September our sports teams arrived at the Mangatawa Marae where we were staying. When we arrived our runners were already there after competing in a hard day of running. The week flew by and some amazing results were achieved. As well as taking part in competition every day we enjoyed some time at the beach, pools and shopping mall where we sat in massage chairs, took photos by the beach and had heaps of fun going down the hydroslide! All of our results were amazing but the fun had to end at some point and after a long, but fun week, we headed home.
